OVERVIEW

**Make plans now to attend the Austria User Group Conference,
November 10th – 11th 2008 at the Arcotel Nike in Linz.**

The conference provides a unique forum to learn how Abaqus users in industry and academia are applying the latest simulation technology and methods. Attendees will also discover new capabilities within Abaqus, future strategies of SIMULIA, provide input on future software enhancements, explore complimentary partner solutions, and network with other users to share experiences and new ideas.

CONFERENCE VENUE

Arcotel Nike
Untere Donaulände 9
A-4020 Linz
Tel. +43-732-7626/0
nike@arcotel.at

The seminar hotel is located in the middle of a green oasis in the banks of the Danube River offering a marvelous view of Pöstlingberg, the landmark of Linz.

Rooms are available at the special conference rate of € 99,- including breakfast.

PRE-MEETING SEMINAR

There will be an Advanced Seminar "[Most efficient use of Abaqus software-functionality & hardware-resources](#)" with emphasis on:

- Solver technology - incl. special techniques (eg. DMP execution, SIM, AMS,...)
- Contact modeling
- Strategies for unconverged solutions

taking place at the hotel on Monday November 10th. The pre-event seminar is an excellent way to start the Regional User Meeting, and provides a good opportunity to update and extend your Abaqus skills.

Seminar Lecturer: **Dr. Vladimir Belsky** Director – Solver Development – Dassault Systèmes Simulia Corp., Providence, RI, USA.

AGENDA

Seminar (Seminar language: English)

Monday, November 10 2008

08.30 - 09.00 h	Seminar and Conference Registration
09.00 - 10.30 h	Seminar " Most efficient use of Abaqus software-functionality & hardware-resources " (Part I)
10.30 - 11.00 h	Coffee Break
11.00 - 12.30 h	Seminar "Most efficient use of Abaqus software-functionality & hardware-resources" (Part II)
12.30 - 14.00 h	Business Lunch
14.00 - 15.30 h	Seminar "Most efficient use of Abaqus software-functionality & hardware-resources" (Part III)
15.30 - 16.00 h	Coffee Break
16.00 - 17.00 h	Seminar "Most efficient use of Abaqus software-functionality & hardware-resources" (Part IV)
19.00 - 19.15 h	Conference Registration
19.20 h	Departure for Restaurant - within walking distance
	Conference Dinner at Restaurant LENTOS Ernst-Koref-Promenade 1
19.30 h	sponsored by globalcore

Users' Meeting (Conference languages: German and English):

Tuesday, November 11 2008

08.30 - 08.50	Conference Registration	
08.50 - 09.00	Address of Welcome, Introduction of Partners	Andreas Szadeczky SIMULIA Austria
09.00 - 09.30	SIMULIA Overview 2008	Frans Peeters SIMULIA Europe
09.30 - 10.00	Elastomerbeschichtete Räder: thermische und mechanische Effekte im Rollkontakt Die Simulation des Kristallisationsverhaltens von Beta-PP während der Rohrextrusion	Walter Vonach CAE Simulation & Solutions
10.00 - 10.30		Susanne Nestelberger BOREALIS

10.30 - 11.00	Coffee Break	
11.00 - 11.30	Abaqus V6.8-EF Enhancements	Vladimir Belsky Dassault Systèmes Simulia Gregor Judex SIMULIA Austria
11.30 - 12.00	Ein numerisches Modell zur Simulation des Risswachstums in spröden Werkstoffen - Entwicklung und Implementierung für Abaqus	Christian Feist CENUMERICS
12.00 - 12.30	CAE-Einsatz bei der Entwicklung von Massenausgleichssystemen für Verbrennungsmotoren	Helmut Dannbauer MAGNA Powertrain ECS
12.30 - 14.00	Lunch	
14.00 - 14.30	Introducing SIMULIA SLM for Simulation Lifecycle Management	Paul Grootendorst SIMULIA Europe
14.30 - 15.00	3D Modelling of Hot Strip Rolling with Abaqus	Erik Parteder VOESTALPINE Stahl
15.00 - 15.30	Numerische Simulation des Radialschmiedens Hochschmelzender Metalle mit Abaqus	Gerhard Wollendorfer GEWOTECH
15.30 - 16.00	Coffee Break	
16.00 - 16.30	Several Different Approaches to Shape Optimization using iSIGHT-FD and CAE/CAD Tools	Holger Wenzel SIMULIA Germany
16.30 - 17.00	Erstklassige Produkte mit Hilfe von Optimierung	Dieter Höfler TECTOS
17.00 - 17.30	FE-Simulation of the Tension Levelling Process with Abaqus Explicit	Lorenz Steinwender J. KEPLER Uni - Linz
17.30	User Requests, Final Discussions, End	Andreas Szadeczky SIMULIA Austria

[top](#)**REGISTRATION FEES**

Fees:	Early bird Registration	after Sep. 19, 2008
Seminar on November 10 only *	EUR 200,-	EUR 250,-
Users' Conference on November 11 only**	EUR 200,-	EUR 250,-
Both events	EUR 320,-	EUR 400,-

* Conference-dinner on November 10, 2008 not included

** including Conference-dinner on November 10, 2008

Fees for members of academic institutes (certification necessary for registration) are reduced by 50%.

For registration please use our [registration-form](#).[top](#)

ACCOMMODATION:

We have reserved some rooms in the following hotels for participants of the 2008 Austria Regional Users' Conference for a limited period. Booking Code: SIMULIA - Abaqus

ARCOTEL NIKE ****

Untere Donaulände 9, 4020 Linz
Tel.: +43 732 7626/0
Fax: +43 732 7626/2
nike@arcotel.at
Arcotel NIKE

Single Room: € 85,-
Breakfast: € 14,-
Parking: € 13,-

Rooms blocked
until October 10, 2008

HOTEL GOLDENER ADLER ***

Hauptstraße 56, 4040 Linz
Tel.: +43 732 731147
Fax : +43 732 7311475
office@goldeneradler.at
www.goldeneradler.at

Single Room : € 65,-
incl. Breakfast

Rooms blocked
until October 10, 2008
